Happy New Year!!!

I guess the old cliché of “Time flies when you’re having fun” would be very appropriate as I recall starting this job a mere 60 days ago. An old friend once told me “ find a job that you really enjoy and you won’t ever have to work another day in your life”. It definitely has been a joyful ride so far. Although a lot has happened since I came to the Club, every bit of it has been exciting. Every day has posed a new challenge and I have received a slew of new ideas both from our staff and our members. Best wishes to Chuck Dunn as he opens new doors in Tucson. Chuck is truly a professional and was instrumental in assisting me into a smooth transition. But before we talk about the last 60 days I want to tell you a little about myself. Which by the way, talking about myself has always been a hard topic.

I was born and raised in El Paso, TX. I have been blessed with two beautiful daughters, Danielle 14 and Amanda 20. I recently remarried. Sonia and I are expecting our first child in May. We recently found out its going to be a boy.

Although I have been in the hospitality business for a little over 25 years, I actually attended the College of Engineering at Texas- El Paso in the early 90’s. It’s been out of sheer luck that I have had the opportunity to work with great people in the service industry, which is why I stuck to this career.

My career in the restaurant industry started at a very young age, I grew enamored with this industry from the 1st day. I was a General Manger of a full service restaurant by the age of 18 and later worked for Brinker International where I helped develop a couple of new concepts for that group. During my stint with Brinker International I had the honor of personally working with Phil Romano (Creator of Macaroni Grill) Chef Johnny Carino and Rick Federico (Founder of PF Changs). I then went to work for Johnny Carino’s in El Paso and moved up through their ranks and became a Franchise Director of Operations and Chief Operating Officer for all of the Southwestern part of the United States. Twelve years later, (and after spending 280 days out of the year on the road over the last year there) I decided that I needed a change and wanted to spend more time at home with my girls. That led me back to Las Cruces and the development of Risotto’s Bistro. After seeing the launch of that concept, here I am in beautiful Picacho Hills Country Club.

Well enough about myself. Like I said, my first 2 months have been anything but dull. What I can say is that our calendars are filling up fairly quickly with some great events for the upcoming year. One of my goals is to provide our members with a vast array of activities on a monthly basis and to improve our service in all areas of the business. As I continue to get acclimated with this new position, please feel free to tap me on the shoulder and share your thoughts; my door will always remain wide open.

Thank you and we will definitely be talking soon. We look forward to seeing you at the club!!

From the Advisory Board...

New Board Member. At its December meeting, the Advisory Board appointed **Gregg Martin** to complete the term of Don Jonker, who resigned from the Board for health reasons. Gregg was a candidate for the 2008 Board election.

2009 Board Candidates. The candidates for two positions to replace outgoing Board members Marilyn Hansen and Barbara Hollmann are: **Bob Crowley, Linda Evans, Jack Hokkanen, Kathy Rodger, and Les Smith.** The election will take place during the PHCC Annual Meeting.

Annual Meeting. The Board set **March 24, 2009, 6:00 PM** for the PHCC Annual Meeting. Mark your calendars and plan to attend to elect new Advisory Board members, hear reports from management and owners, and ask your questions.

Social Issues. The Picacho Hills Artisans are working with Club management to plan an art show in conjunction with a Club social event.

Club E-Mails. The Club is sending weekly electronic golf updates and social updates to members requesting same. The weekly information and event reminders have been positively received by members. Sign up for this service by sending your email address and name (one per membership) to picachohills@hotmail.com.

Golf Course Issues. Management updated the Board on the search for the new golf pro. Six telephone interviews resulted in three in-person interviews scheduled for the third week of December. Hopefully, by the time you read this, a new pro will be in place.

Club management reviewed the status of the irrigation project and their efforts to value-engineer the plans with the bidding companies to fit the budget. Work will begin after the first of the year with completion targeted for May 31, 2009.

Aeration of the course has been curtailed because of frost conditions. Work on the turf will resume in the spring. **To save the grass, please stay off the course, practice greens, and driving range during frost delays...and out of the shadows when on the course during our winter months.**

Tennis Issues. Board members discussed with Club owners the timing of possible resurfacing work on the courts and the potential financial collaboration with the Tennis Association.

Next Board Meeting. The next Advisory Board meeting will be January 8, 2009

Now that we've all made our New Year's resolutions about cutting down, eating less, drinking less and possibly acquiring some alternate forms of exercise, let us take a peek as the doors of January are opening to a new beginning. We have a new Manager, Daniel Natividad, and he comes with all sorts of new ideas for the Club and its Members.

The Club wants to give a special thanks to all those wonderful people that contributed to **Toys for Tots and the Angel Tree for La Casa**; you are responsible for shedding a sparkle of light into the lives of some very special children. Laura, from La Casa, was speechless as I opened the trunk to my car to hand over the gifts from the Angel Tree. The two of us stood hugging each other and knowing that we were accomplices in something truly special. (Like they say, "To give is divine")

To begin with, do not forget the Mystery Dinner Theatre **"Caddy Shack"** on the 10th of January directed by our very own Ken Eastlack. This Dinner Show will give a whole new meaning to Golf Championships, bringing you laughter, intrigue and even murder. (Make your reservations ASAP as there are limited seating arrangements.)

Hikers will be meeting on January 12th at 7:30 am for our caravan to Ruidoso for a day full of fun, good eatery and show at the **Spencer Theatre**. As I mentioned to you before, we will be going directly to the Inn of the Mountain Gods for Brunch and Casino fun first. If I do not have your choice of entrée for Le Bistro, please make sure to forward it no later than January 5th. We want to make sure that Chef Richard has all 26 orders with ample time to order and prepare in a timely fashion.

Conversational Spanish will resume on the second Thursday (January 8th) and the fourth Thursday (January 22nd) of every month as usual. Please make sure to call ahead if you will not be attending. We will be discussing the possibility of having additional classes and some other pertinent details.

The Connoisseur's Club will meet on the last Sunday of the month (January 25th) at 2:30 pm as usual. I understand that it will be titled "Soups, Stock & Sauces". Please make sure to make your reservations so that Chef Darrel can plan accordingly.

Thanks from all the employees of the Club for your generous support of the Holiday Fund. You helped make our Christmas merrier and our New Year happier. We look forward to serving you in 2009!!!

GOLF

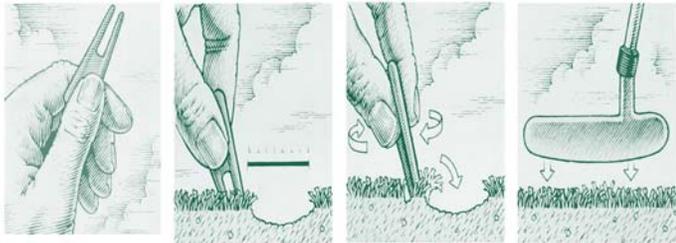

Greetings, From The Golf Course Superintendent

Holiday Greetings to all members and staff. As you all may have heard the irrigation project has been approved and will start on the 2nd of January. Precision Irrigation of Mesa, AZ has been awarded the project and I am extremely confident that the product will greatly exceed expectations. On another note, please remember to repair all ball marks and divots. Sand buckets are located on the par 3 tee grounds and bottles should be on your carts. If you find that the sand has been emptied on either of the mentioned areas please contact the grounds department (575-523-4705) so that we can fix the problem. As for ball mark repair, it is essential to mend them immediately. The damage to the turf will die if not repaired within a few hours. The diagram below will walk you through the correct way to repair a ball mark and keep your putting surface smooth. Once again thank you for your cooperation and patience with the outside crew, they are working really hard to improve playability by cleaning and prepping areas where new turf will be and overgrowth was slowing play. Have a Merry Christmas and a Happy New Year. Always Greenside Up, Gil Martinez, GCSAA (A)

The Proper Way to Repair a Ball Mark

- 1 Use a prolonged ball mark repair tool (preferably, knife, key or tee.
- 2 Insert at the edges of the mark- not the middle of the depression.
- 3 Bring the edges together with a gentle twisting motion, but don't lift the center. Try not to tear the grass.
- 4 Smooth the surface with a club or foot. You're done when it's a surface that you would putt over.

From the Golf Shop

Welcome to 2009, and Happy New Year from everyone in the golf shop. December was some of the best golf weather of the year and the golf tournaments held here at Picacho Hills were completely successful. Thanks again for all of the goodies during the holidays, the staff will be working off the extra pounds well into the New Year. Congratulations to the two-man teams of Robbie Hargrove/Barry McClure and Jeff Paprocki/Lloyd Bates for shooting their way into first place in the Christmas Scramble tournament held by the club. November and December were chalked full of hole-in-ones after a drought of a few months and we would like to congratulate Bruce Reed, John Cully, Susan Hyland, and Pat Anderson on their successfully holed aces.

With the start of the New Year come new golf tournaments and bigger and better events. January couples golf will be held on the 4th, as well as the annual MGA meeting on the 13th. The Polar Bear Classic is right around the corner on the 17th of January and those members interested can sign up in the golf shop in teams of four.

On a sad note, we are saying goodbye to a mentor and a good friend of ours, Chuck Dunn. Chuck is moving on and will be missed by everyone in the golf shop and the cart barn. We wish him well and know that he will be successful in the future, thanks again Chuck.

LADIES GOLF ASSOCIATION

Don't look now but 2009 is just around the corner.

But before we can turn the yearly page, we must take a moment and appreciate the last of 2008. This year's Christmas with the Sandpipers became an indoor event, but I know that the participants weren't disappointed as Ede Burge, Kaye Frye and Rosemary Conner put on a fabulous indoor event. Sometimes the best times are last minute. Bravo ladies!

This was the year of Maria Williams. Maria has become quite the competitor and certainly had a great year of golf. She capped it off with being our Jill of the Hill in November and then went down the stretch and won Jill of Jill's 2008. Congratulations Maria you are an inspiration to us all! But let's not forget to recognize our December "Jill" Sally of the Valley – Nikki Morton... GREAT JOB!

The awards luncheon held on the 16th brought our year to an end acknowledging the accomplishments of our members. Hazel Coelho has brought some really good ideas to the organization and I believe this was one of them. Linda Wilson and Donna Lafreniere were presented with beautiful "hole-in-one" trophies, the members were given the payouts for the year and Robin Cohen, was recognized as the "Most Improved Player". Pat Anderson really surprised us with her "hole-in-one" on #15 and we all got treated to Margarita's .

Jeanne DeArment, we commend you for the wonderful leadership you provided us as our 2008 President. Also to the many volunteers that provided their creativity and energy for our various tournaments and events. It has been a fabulous year and thanks to all our LGA members for their participation and dedication to making our events successful and fun.

Now you don't want to miss anything in 2009. It's time to anti up the dues for next year. You can make your check payable to THE PHLGA and mail it to Mary Rita Chapman if you don't see her on the course. The fee is the same as last year \$75.00. We already have new members to welcome - Joyce Sartwell, Jean Butler, Donna Wood, and Sue Dueland. We look forward to getting to know you all.

2009 will be ringing in a new executive board – As President, I would officially like to introduce them to you: Lynn Zeemont – Vice President, Mary Rita Chapman – Treasurer, Marsha Hokkanen – Secretary.

I look forward to working with all of you and I know we are dedicated in putting a terrific year together for you our members to enjoy.... I hope you will come along for the ride.

Respectfully,

Donna Lafreniere
LGA President 2009

Sandpiper Bits

Poker faces and steely eyes sat across the gaming table which ultimately brought snickers and lots of laughter but who could keep a straight face when playing "dummy bridge" with our golf pals of the LGA. Old Mom Nature forced the Christmas Scramble indoors with cold, wind, rain and low temperatures that nipped the fairways. Who would dare say that contingency plan B wouldn't work!! Luncheon started with song, an old "favorite" of Rudolph the Red Nose Reindeer, accompanied by hand, face and body motions to emphasize Rudolph's persona. We then dined on chicken breasts stuffed with wonderful sage dressing preceded by a cranberry salad. A small jar of jelly favored each place setting, a very sweet treat. Winners of the "numbers game" of dummy bridge were: Wendy French, Pat Anderson, Doris Walker, Joan Halliday, Barb Molnar, Sue Dueland, Jodie Bixby and Jean Butler. These lucky winners had their picture taken with Santa, who arrived in the "nick" of time. **Many thanks to the LGA for a great day!**

Throw confetti, light the fireworks, Sue Dueland got a hole in one on #8. --and she thought she had lost her ball!! Way to go, Sue!

Our annual Christmas luncheon was held on Dec. 11 at the club. Jean and Doris never let us down giving us a very fun and challenging game. First place went to Sue Dueland, 2nd place to Annelee Donnelly, and 3rd place to Jean Butler. Pat Anderson won "closest to the pin" honors.. Royalty, we dined on salmon and pork tenderloin . A Christmas pottery bowl, at each place setting, was filled with "caloried goodies". Diane Nelson asked for suggestions for a local charity that we might be of help this season. An article in the local paper was brought to our attention by Wanda Sparks. She said that there had been requests for over 3000 coats for children, just this winter. Our great ladies contributed \$600 to Coats for Kids, which in turn bought 60 coats, helping keep little children warm this season. . Our thanks Wanda for the suggestion and engineering the acquisition. Marion Mills won the "surprise drawing" for a wheel thrown pottery bowl donated by Ellen Martin.

An early head up notice!!! February 12, 2009 is the day for the Susan Korman, Rally for a Cure. Put that date on your calendar, LGA and Sandpipers alike. Anyone can play! Consider asking a friend, family or neighbor to join us for this worthy cause. Details "forth coming"!! Watch the bulletin board in the locker room.

Remember that on Jan. 8 our tee time will be 9:30! How about this? We've had enough youth, how about a Fountain of Smart?

If at first you don't succeed, sky diving isn't for you.
Welcome to 2009! The new year begins, hopefully with less turmoil.

E. Martin, Sec.

Cathy Tracy, USPTA

Here's to a wonderful holiday season filled with friends, family, stress-free days and nights, and fond remembrances of the past year. However, now that we have moved on to January, it is time to think of our tennis game and what events and programs are coming up.

The BIG one for January is the Battle of the Clubs. If you haven't joined up yet for a team, there is still time to contact Marilyn Hansen. This is the most fun, enjoyable, and well run tournament of the year. Who can resist the great dinner on Friday the 23rd at the club and matches all day long at NMSU on the 24th and 25th. There is room for everyone who plays at PHCC to experience the thrill of victory and...the agony of defeat. The "arch" at Wimbledon says we are to treat both the same. If you haven't participated in the B of C before, take a risk, join up.

For intermediate junior players we have two Super Set Tournaments coming up. Saturday, January 10 at 10 am. There will be awards for the winners and the entry fee is \$5 per person. The next one is Sunday, January 18 at 1 pm. If you can leave word on the tennis office phone that you are entering, that would greatly help me out on figuring what type of tournament to run. These Super Sets take about three hours.

The Junior program starts up again on Monday, January 12: 5 pm Tiny Tots and Beginners, 6 pm intermediates. (No class on Monday, January 19). The cost is \$30 for the two days - Mondays and Thursdays -for PHCC members. Non members \$42.50. Member drop ins \$7 per day.

The Men's Doubles League starts up again on Tuesday, January 13 at 6:15 pm. You can call or email to get on the list. Please leave all reachable telephone numbers so we can get hold of you if needed. Here is a plea: Please commit to all the dates you have signed up for - last minute no shows have been a bit of a problem. If you need a sub list I can provide one for you. Let's keep all the courts filled with a solid foursome!

The Women's Doubles League begins again on Wednesday, January 14 at 9 am. Now is the time to let me know you want to participate. January will be the "book" month, bring in those books you want to exchange for another.

For those of you participating in the Club Championships in November/December, my "thank you" luncheon is on Saturday, January 17 at 12 noon at the club. Please let me know you are coming by Wednesday the 14th. There were some terrific matches played and the sportsmanship was exemplary. Congratulations to Club Champions Jag Cheema - Men's Singles, Bill Smith and Jag Cheema for Men's Doubles, and Lamar Harrison/Pat Ethridge for Mixed Doubles.

Tuesday/Thursday clinics at 10 am will offer some specialty clinics to prepare for the big event: Jan 13 - volleys, Jan 15 - serves/returns, Jan 20 & 22 - Doubles positioning and strategy. Let's get ready for the Battle of the Clubs!

Here is a Head's Up for February. We be having a mixed doubles age division tournament on February 13-15. This is a non-sanctioned tournament but you can enter through tennis link, tourney ID 758502109. I expect entries from all over Las Cruces, El Paso, and Juarez. The events are 45 & over mixed, 55 & over mixed, 65 & over mixed, plus an Open Mixed with \$350 in prize money. Entry blanks will also be available at the front door of the tennis office.

Let's make a New Year's resolution to improve our tennis games this year. Get out there on the courts, take a lesson or clinic, and definitely take advantage of our ball machine. See you there!

Tennis Association

Tennis association members who attended the annual meeting and luncheon at the club were impressed by and appreciative of the presentation Louis Biad made about management's plans for upgrading. . . just about everything at PHCC!

He put particular emphasis on the tennis program, of course, and disclosed details of the plan to get court resurfacing under way this year. The association pledged to work with him on funding for these necessary improvements.

Chef Darrell's superb buffet put everyone in a holiday mood, and Mr. Biad's remarks sent the tennis players home smiling, humming Christmas carols and looking forward eagerly to tennis at Picacho Hills, 2009.

The turning of the calendar year brings with it yet another Battle of the Clubs team tournament. It's southern New Mexico's most fun filled tennis event of the year, and its your tennis association's principal fund-raiser.

So if you haven't joined a team . . . or begun forming your own team . . . or offered to help with tournament preparations, call now! Don't waste a moment because supplies are limited! Here are the phone numbers: Marilyn Hansen (527-2367).. Cathy Tracy (526-8109). Operators are on duty! Call now.

Two new board members were named at the annual meeting: Marilyn Hansen and Patricia Etheridge. Rafael Torres will be the alternate.
